Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
This permit is issued subject to all prior rights on the source.
The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed one cubic feet per second or sufficient to water 5000 head of sheep.
Actual construction work shall begin on or before March 22, 1929.
Proof of commencement of work shall be filed before April 22, 1929.
Work must be prosecuted with reasonable diligence and be completed on or before September 1, 1931.
Proof of completion of work shall be filed before October 1, 1931.
Application of water to beneficial use shall be made on or before September 1, 1932.
Proof of the application of water to beneficial use must be filed with State Engineer on or before October 1, 1932.

Proved before me = August 29, 1929. WITNESS MY HAND AND SEAL this 27th day of September, 1928.

Cancelled October 15, 1935 because of failure of applicant to comply with provisions of permit.
